

Dear Supporters of Chafyn Grove School,

Chafyn Grove Summer Ball Sponsorship opportunity

It is with great pleasure that we offer your company the chance to be a valued sponsor of the Chafyn Grove Summer Ball 2023.

The event

On Saturday 17 June the Friends of Chafyn Grove are hosting a charity summer ball in celebration of Salisbury. All profits will be split between the school charity and Salisbury Foodbank who are providing essential support to people living in hardship across the local area. Alongside a meal and auction, we're delighted to have The DeLorean's providing music through the night.

The event offers a fantastic sponsorship opportunity to promote your company while also supporting local charity.

Audience

In addition to the 200 parents, governors, staff, alumni and friends attending the event, all promotional items will go to the wider school community (current parents, future parents, staff and alumni). We will also be issuing a press release after the event, which will include thanks to all sponsors.

The opportunity

For £300 you can have a table at the ball named in honour of your company as well as having your company name and logo:

- inside front and rear cover of the auction brochure
- as a quarter page advert in the auction brochure
- on the printed Summer Ball invitation (which will be sent to all attendees)
- on the name cards and menus
- listed in pre-event communications (sent to the wider school community)
- listed in post event thanks, communications and press release (sent to the wider school and Salisbury community).

How to take part

To become a sponsor, linking your company with this wonderful evening while contributing to local charities, please email office@chafyngrove.co.uk by Friday 26 May.

Exclusive, shared or individual sponsorship also available, please get in touch to find out more.

Kind regards,
The Friends of Chafyn Grove
